

# We are Research Active!

Did you know that CPFT is involved in  
over 100 research studies?

We are running research to better understand:

Healthcare  
Services

Gathering  
service  
information

Mental & Physical  
Health Conditions

Exploring the causes  
and symptoms of  
conditions

CPFT  
Staff

Collecting staff  
views on services  
and care

New  
Treatments

Trialling new  
treatments for  
conditions & injuries
